The Perfect Kailua home you've been waiting for! Located in beautiful Keolu Hills, this fresh, clean and fully remodeled home offers a spacious floor plan that flows from the open kitchen to a grand family room with high beam ceilings to a lush green tropical gardens and gorgeous mountain & coastline views. The 3 bedrooms in the main house each has ensuite bathroom and direct access to the large front/rear decks. The 4th bedroom has its own full bathroom and a separate entrance from the main house. Features Include: kitchen with custom cabinets & granite counters, bamboo flooring, separate walk-in & built-in closets, AC units, a photovoltaic system, landscaping, new sprinkler system, fresh paint inside and out, driveway & a nice big yard that is perfect for kids and pets to play. Enjoy a fresh morning brew while watching the sun rise over the lanai, take a walk to the Enchanted Lakes Shopping Center with many eateries, stores, farmers market & a movie theater. Or leisurely bike ride to the world-famous Kailua beach. This is Kailua lifestyle at its best!
